TIM

What're you doing here?

BLAKE

I came to see the girl who broke my
brother's heart 8 years ago. Then I'm
gonna pour a beer down her shirt.

TIM

She's not here. She didn't show up.

BLAKE

Are you kidding me? Again? (SITS)
You know what the problem is? God's
an angry divorced guy and wants us to
hate women as much as he does.

TIM

Maybe something happened.

BLAKE

I'll tell you what happened, you had a
fight with Holly for nothing. You
never should've told her you were
meeting your ex.

TIM

I had to, she's my wife.

BLAKE

Are you out of your mind? Nobody ever regretted lying to their wife.

TIM

You lied to your wife all the time and you're divorced.

BLAKE

Yeah. And I don't regret it.

TIM

Being married is great.

BLAKE

Being married is awful. It's like walking through a minefield, but if you step on a mine, it doesn't go off for 5 days.

TIM

That's sweet. You should write a book.

BLAKE

And what's this no sex for 3 weeks thing?

TIM

I don't know what's going on. I grade papers 4 hours a night, by the time I finish, I'm exhausted and Holly's basically asleep.

BLAKE

Look, I'm your big brother and I love you. And I love Holly, she's a great girl. (BEAT) You should dump her.
